

Nursery Registration

St. Timothy's nursery is open from 8:15-12:00 on Sundays and from 4:00-7:00 on Wednesdays during the school year.

When your child comes to worship, help them pick out a 'bag' (for younger children) or 'packet' (for older children). These are found in the lobby outside the worship space and are filled with good things to help your child be content during worship.

All our nursery workers have had background checks and received Safeguarding God's Children training. We also have pagers in the nursery to ensure your child's safety and happiness. Because many children have food allergies, we ask that you not bring food to the nursery. If you have any questions, please contact The Rev. Liz Parker, lparker@sttimothy.org or 979/297-6003.
