

“When we moved here in 1971, St. Timothy’s has always been our family church. Serving my church and our church family is very fulfilling for my soul and well being. From being an Acolyte to becoming a Chalice Bearer. From working as an Altar Guild member to reading lessons at services. From being in the Living Nativity as a youth and as an adult. From hosting the Zoom Coffee Hour meetings and a Book Study. From buying gifts for the Angel Tree and donating food for the Food Bank. This is my gift to share the glory of God.”
