

“During last year’s stay-at-home orders, we all learned how to worship at a distance. Being able to attend virtual worship services at the Annunciation in Lewisville, the National Cathedral, St. Timothy’s, and other churches helped me connect to God and His people during a difficult time.

I answered the call to join the Mevo ministry this summer because I wanted to help homebound members and potential guests experience worship at St. Timothy’s. I’m not a brilliant cinematographer, but I am willing to show up and learn something new.”

—Margaret Dodson
