

“Throughout the years I’ve involved myself in a variety of ministries: Youth, Vestry, Readers/Eucharist Lay Ministry, Compline and Altar Guild. Each gives me such joy. Riding in vans to Mission Trip sites with happy, loud teenagers sharing their playlists alongside their faith, reading scripture as we hear the Word during services on Sunday, and extending our Eucharist to those unable to be with us at church. But Altar Guild... oh, it brings me so much happiness and brings our worship closest to my heart. As an Altar Guild member preparing the table, and our church for services deepens my faith. It is an honor to prepare the Altar for the Lord’s Table at St. Timothy’s.”

“Oliver and I had been part of St. Timothy’s start-up group. Oliver was often a vestryman and several times Senior Warden. I was a young mother of two (Paul wasn’t on the scene yet). I was active and taught Sunday School and had attended our first Rector’s Bible Study on Mark. Oliver came home from a Diocesan gathering with Bishop Hines and said, ‘I want to start tithing.’ I said, quite loudly, ‘I don’t want to tithe, I want to join the Country Club.’ Well, we soon tithed and we never joined the Country Club. That was the first step in many, many steps to become Spirit-filled Christians who have shared gladly with our Lord the gifts he has given us.”
